ABOUT ME

I am Parushi Gupta, a dedicated and detail-oriented Bachelor of Commerce (B.Com) student with a strong interest in accounting and finance. With a solid academic foundation and a passion for numbers, I am seeking an opportunity to begin my professional journey as an accountant. I have developed a good understanding of financial principles, bookkeeping, and basic taxation through my coursework, and I am eager to apply this knowledge in a real-world setting. I am a quick learner, organized, and committed to delivering accurate and efficient work. My goal is to grow in a dynamic accounting role where I can contribute to a team, learn continuously, and build a strong career in finance.
