## EDUCATION

**Invertis university** — Bareilly
Computer science and engineering Bachelor of technology — Aug 2021 - July 2025
*Percentage: 75%*

**Muse academy** — Faridpur
Degree in Highschool — April 2018 - March 2019
*Percentage: 75%*

**Muse academy** — Faridpur
Degree in Intermediate — April 2020 - March 2021
*Percentage: 69%*

## SKILLS

| | |
|---|---|
| Programming Languages: | C, Python, HTML, Machine learning (basics) |
| Libraries/Frameworks: | Numpy, Punda, Metplotlib |
| Tools / Platforms: | Vs code |

## PROJECTS / OPEN-SOURCE

**Smart hand sanitizer using iiot** — *Arduino , LEDs , Ultrasonic senser ,buzzer*

The Smart Hand Sanitizer is an IIoT-based device designed to promote hygiene while enabling real-time monitoring and data analysis in industrial or public settings. It integrates sensors, microcontrollers, and connectivity modules to detect hand presence, dispense sanitizer automatically, and transmit usage data to a centralized system for analysis and maintenance alerts.

**Resume analyser** — *Streamlit , numpy , pandas , seaborn, plotly , Machine learning*

Resume Analyser is an intelligent system that automates the process of screening resumes. It extracts key information such as personal details, skills, education, work experience, and technical proficiencies using Natural Language Processing (NLP) and Machine Learning (ML) techniques.

## CERTIFICATIONS

- Java fundamental - IBM.
- Full stack - Hackyourcareer.
- Data science and analytics - Pregrad.
- Python essential training - Ryan Mitchell , linkedin.

## HONORS & AWARDS

- Participate in modelling tasveer Event 2021 organised by invertis university Bareilly
- Participate in modelling nimrit event 2022 organised by invertis university Bareilly
- Participate in modelling space walk 2023 organised by invertis university Bareilly
- Participate in modelling Best panther walk MR. BLY
- 2023 Mr. And Miss india unique personality runner up
- Class representative of b tech cse in first year
- Participation in cybersecurity awareness program in associated with up police 10-2022 in Invertis university Bareilly
- Participation in webinar on career opportunities in cybersecurity in Invertis university Bareilly
